

## HIGH SCHOOLS TO BATTLE FOR GRID TITLE TOMORROW

Davenport and Moline Eleven Will Meet On Iowa's Field in Crucial Game.

LARGE ATTENDANCE EXPECTED

Blue and Red Warriors Will Be Weakened by Loss of Claypool and Makeover.

The high school championship of the tri-cities will be at stake tomorrow when Moline eleven will tussle with Davenport at the Three Eye league park in Davenport. The contest will start at 2:30 o'clock and it is anticipated that a large crowd will be present.

Chances for the Davenport school eleven to cop looks rather slim when it is announced that "Midge" Makeover and Captain Claypool will be unable to play. These two men are probably the best high school talent in the tri-cities and with their loss the Iowa school will be greatly handicapped. Captain Claypool starred in the Rock Island-Davenport game several weeks ago. He is out of the game with torn ligaments, while Makeover is suffering a broken arm.

Word comes from the Plov City squad that the Moline high school is in excellent condition and is predicting a win over their rivals across the river. Coach Wood drove his men through the final practice prior to the tussle this afternoon and every man appeared to be in excellent condition. The Moline eleven is confident that they will return with a victory. The work of Coach Wood this season has been wonderful. The team representing Moline probably is the best turned out from that institution in years. There are no individual stars and every man plays for excellent team work. The Moline team has demonstrated that it is a machine-like eleven, as the victories it romped away with are due to teamwork.

**Davenport Weakened.**  
Although Davenport has a great aggregation this season it will be weakened tomorrow without the services of Makeover and Captain Claypool. Claypool will leave a big hole at center. He probably has been the best player man the Iowans ever had and Lindquist who substitutes for him, has a great handicap in size and weight as well as in experience. The Davenport line-men have developed under Captain Claypool this year, and he has been an example to every man who played alongside of him. Claypool is determined to get a crack at Moline and he may be able to perform for part of the game Makeover was injured in the Clinton game and has been nursing a crooked arm and collarbone since. Midge is a star in more ways than one. His playing has been all-star during the season, and his presence back of the line and among the backs was a spur to the efforts of the entire eleven.

The harmony of the squad will be more noticeable in the game with the Moline eleven than in any of the previous performance credited to the Iowans. The interest and old fighting spirit that Davenport heroes have always displayed against the Plov City boys has made training a pleasure.

**Coach Wood Predicts a Win.**  
Coach Wood of the Plov City eleven has been not wasting any time during the last week and has been holding strenuous signal and scrimmage drills of the year. He predicts a win over the Iowans by a single touchdown. De Clerk will start the game at quarterback for the Moline team with Frohne in his usual position at full. The Moline squad is in excellent condition and will pit its regular team against the attacks of the Iowans.

The teams will present the following lineups:  
Moline—Swanson, lc; Captain Makeover, lt; Trowbridge, lg; Haley, c; Green, rg; Hoyt, rt; Wilson, re; De Clerk, qb; Sill, lb; Alsene, rh; and Frohne, fb.

Davenport—Ruhl, lc; Merg, lt; Block, lg; Lindsey, c; Kettleson, rg; Schmidt, rt; Schowalter, re; Day, qb; Sears, lb; Koch, rh, and Harry Makeover, fb.

## SEMINARIAN BEATS SOPHS IN TOURNNEY

Upsetting the dope bucket, the seminarians yesterday bagged the sophomores in the Argus basketball tournament by the score of 16 to 12, while the seniors won a hard fought game with the academy, 17 to 13. In the first game, Anderson and Almer starred for the sophs and Bergh and Larson for the sems. In the latter contest, Bloomberg for the seniors and Weststrom for the academy did the stellar work.

The lineups:  
Seniors—Randolph, rf; Anderson and Bloomberg, lf; Erickson, c; Kron and Anderson, rg; Ekstrom and Julius Johnson, lg.

Academy—Frederickson, rf; Peterson, lf; Andreen, c; Bernsten, rg; Weststrom, lg.

Seminarians—Almqvist, rf; Olson, lf; Bergh, c; Boström, rg; Larson, rg; Sophomores—Lyon, rg; Sodergren, lf; Anderson, c; Almer, lg; Ellason and Collins, rh.

**K. & M. WILL PLAY LOGANS.**  
The K. & M. football team will meet the Logan eleven tomorrow afternoon on the Douglas park gridiron. The game will be started at 2:30 o'clock. Both teams will present an unusually strong lineup and a closely fought contest is anticipated by the players of the rival elevens.

## When the Skin Seems Ablaze With Itching and Burning

There's just one thing to do. If your skin seems ablaze with the fiery burning and itching of Eczema, redness and itching relief can only come from treatment that goes below the surface—that reaches down to the very source of the trouble. So-called skin-diseases come from a disordered condition of the blood, and the proper treatment is through the blood.

## On The Sidelines

A large crowd of rooters is expected to attend the Arcade Gadgets and 2600 Keystoneers clash in its annual battle tomorrow. The game will be staged at Douglas park at 10 o'clock between the rival elevens. Both teams are claiming a victory.

The Maroon football aggregation of this city will journey to Spring Valley, Ill., tomorrow morning, when they will battle the Moose team in the afternoon. The contest will be played at Hick's park and a large turnout is expected to attend the annual clash.

Chicago, Nov. 28.—The hardest fought football game of the season is on card for Thanksgiving day at Hammond, when the Cornell Hamburgs of Chicago meet the Hammond eleven in a return game. Hammond won the first meeting and the Cornellians have spent all their energies in preparing to get even in the next game. Bert Macomber, former Illinois star, will play quarterback for the Cornellians, against Paddy Delacoi for Hammond.

Youngstown, Ohio, Nov. 28.—The Youngstown Patricians brought their football season to a close Saturday night and incidentally celebrated the sixth anniversary of the organization of the club with a banquet and program at their club rooms. Owing to Sunday's game being cancelled and Manager Mullane having notified the players not to report, none of the players were among those present.

Canton, Ohio, Nov. 28.—Canton won from Massillon Sunday, 14 to 3, the game being played in a snowstorm. Thorpe made the first touchdown and Dunn the second. Massillon's only score was a goal from placement by Brickley from the 36-yard line. Canton's first touchdown was scored against second string players. Brickley and his regulars then went into the game. Massillon's attack was not brilliant, the Tiger making only one first down in a forward pass. Canton made 13 first downs and worked five forward passes for more than 100 yards. Massillon's most determined stand came in the third quarter when the Bulldogs were stopped four yards from the goal line.

## REEF AND SPEED ON CAMP CUSTER TEAM

Camp Custer, Mich., Nov. 28.—The Camp Custer officers' football team which will oppose the Camp Grant gridders on Stagg field Dec. 1 is a husky aggregation that would gladden the heart of any coach. The regular line as used in the games to date averages 200 pounds, while the whole team tips the scales at an average of 150 pounds.

It is not because of sheer weight that the Custer crew demands attention. In its lineup are university and college stars of yesterday who have all occupied more or less prominent places in the limelight of gridiron fame.

Probably the most picturesque character on the Custer team is Captain Biddle Gardner, who holds down the job at the right extremity of the line. Biddle is captain in more ways than one, for Uncle Sam gave him that title at Fort Sheridan and the Custer officers made it double by electing him leader of their football team. Gardner is a Cardiac Indian and when a member of the team representing that school made an enviable name.

Zig Thompson, formerly of Lawrence college, Wisconsin, plays right end. Zig is an aerialist and specializes at the forward pass stuff. The backs are Tom Moriarity and Bill Wack, both of Georgetown fame. For guards the aggregation boasts Simpson of Wisconsin, Kerwin of Georgetown, and Bogie, old Michigan line-man. At center is stationed Charlie Mabbutt of Idaho State Normal school. Mabbutt weighs 250 pounds.

The backfield presents the same brilliant array of talent as the line. The plot is Harry Costello, formerly quarterback at Georgetown and coach at the University of Detroit. Blake Miller, once a stellar light at Michigan Agricultural college, and Wyman, star at Ripon college, Wisconsin, are the half backs. Jerry De Prato, a former teammate of Miller's at M. A. C., plays full back.

The technical name of the team is Officers' Football Team of the Eighty-fifth Division, National army.

The record of the Custer officers follows:  
Custer Officers, 7: Alma college, 0.  
Custer Officers, 9: Fort Wayne Friars, 0.  
Custer Officers, 7: Great Lakes T. S. 6.  
Custer Officers, 34: Kalamazoo college, 7.  
Custer Officers, 34: Flint Independents, 7.  
Custer Officers, 33: Camp Harlee, 0.  
Custer Officers, 12: Detroit Herolds, 0.  
Custer Officers, 73: Saginaw Independents, 6.

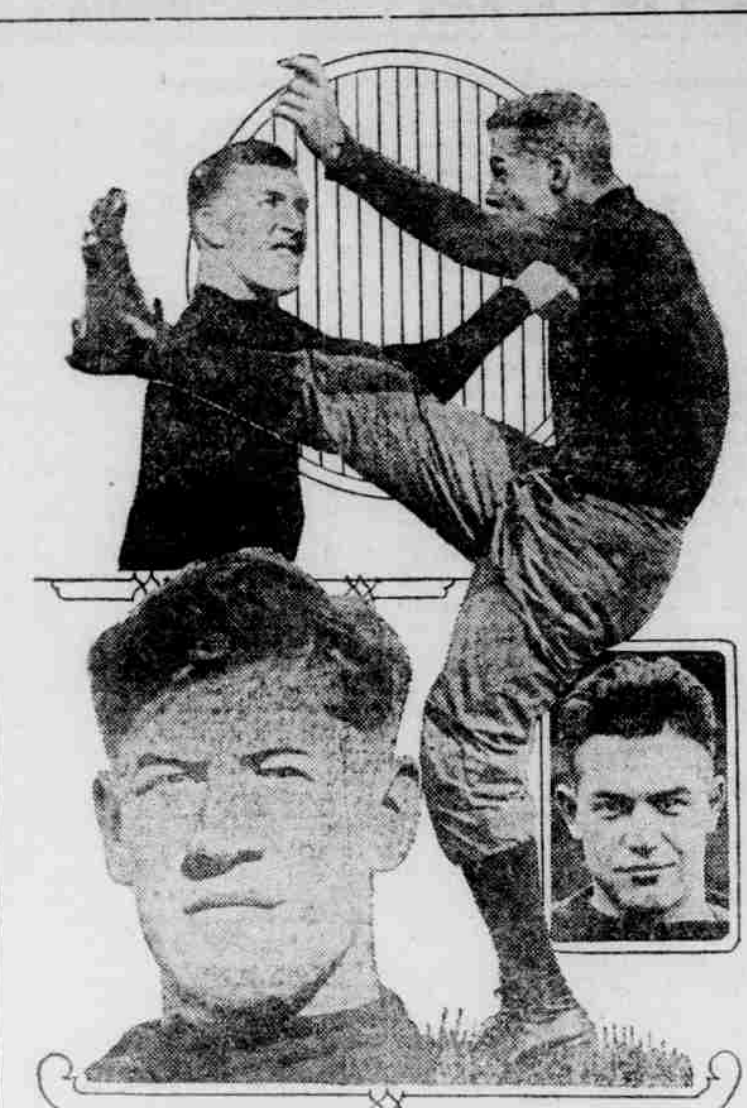

## BIG TEN GRID MEN TO MEET.

Bloomington, Ind., Nov. 28.—Ewald Stiehm, coach of the Indiana university football team and president of the Big Ten conference, last night issued a call for all athletic directors and coaches of the conference to meet in Chicago on Dec. 15 to make out their football schedules next season. Indiana's only game already dated is with Minnesota at Indianapolis on Oct. 30, 1918.

Stiehm and 20 men left at 7:30 o'clock tonight for Hattiesburg, Miss., where the team will play the Camp Shelby eleven on Thanksgiving day. The Hoosier lineup will be the same as against Purdue. After the Hattiesburg game the Hoosiers will go to New Orleans for a stay of a day and a half. They will return Sunday.

## FEW ARE THE BACKS WHO CAN RUN WITH COY AND THORPE ON THE GRIDIRON

Above: Eddie Mahan (left) and Ted Coy. Below: Jim Thorpe and Chick Harley.

It is doubtful if the game will ever see any greater halfbacks than Ted Coy or Jim Thorpe, though there are football fans to insist that Eddie Mahan at his best deserved a place in the same immortal backfield with these. It is certain that the open game era of football has known no greater stars than Coy, Thorpe and Mahan, and western fans this season are ready to add the name of Chick Harley to the list. But if an all-star backfield of three is to be selected it is a question as to which of the first three Chick Harley could hope to replace.

## PROSPECTS GOOD FOR SPEEDY FIVE

Coach Anderson Issues Call for Candidates—Class Tournament After Vacation.

BY KEITH NELSON.

Coach Anderson of the Rock Island high school has issued a call for basketball candidates. This summons brought out 15 prospects for their initial workout last night at the school gym.

Anderson and Captain Taber have an abundance of material to build a star five out of this season. They have three "R. I." men as a nucleus. It is probable that Harold Heimbeck, last year captain and star player, will be unable to participate in the games this year.

Captain "Pinkie" Taber will construct his five around Dick Dopp and Roy Simon, two stars of last year's district championship five. With the following list of men, who reported for practice yesterday Taber thinks he can develop a wonderful team, Dopp, Selmon, Riddholm, Parker, Melow, Journey, Erbstein, Paris, Rosenzanz, Stapp, P. Anderson, Edner, Oranger and Battles.

Coach Anderson has called practice to be held at 7:30 o'clock in the mornings to the time being. Later the daily workouts will be held in the afternoon.

The class tournaments will start soon after the Thanksgiving vacation. All the classes have elected captains. The interest as to the outcome of the classic this year is great. The senior and junior teams are already discussing their superiority as to the best quintet in the institution. The seniors have selected Taber as their class captain, while the juniors named Edner. Practices will be held daily by the class teams starting next Monday. The first team men will be chosen from the various class quintets.

## YALE WHIPS HARVARD IN ANNUAL CONTEST

Chicago, Nov. 28.—Yale beat Harvard, 13 to 7, yesterday. The decision was made in the third quarter of a hard fought game on Stagg field. Crisler, Yale's star end, broke loose for a long run around the Harvard flank. Two mass plays through center let Swede Palmer of Englewood through for the winning touchdown. Palmer missed goal.

After the game Pat Page, overlord of freshman football material at the University of Chicago, pronounced the game a success and one of the hardest fought in recent years. Harvard started out like the winner. Early in the first quarter Bobby Cole, the Crimson captain and star quarterback, uncorked a long forward pass to Fiedke, his fullback. Fiedke speared the oval out of the ether and sped down the field to the goal lines. Hales kicked goal.

The second period was a scoreless wrangle. After the intermission Yale came back with loads of new drive. Soon after the kickoff, "Torch" Bryan, the Blue's flashing halfback, scooted around the end and shot 30 yards through the field of Harvard tacklers for a touchdown. Palmer's score in the last quarter settled matters.

The joy of the victors was reduced considerably by the injury of their captain, George Serck, formerly of Wendell Phillips high. Serck was laid out early in the game by a boot on the side of the head. He was unable to continue, but by night was feeling all right except for a headache. The award of numerals was not made as announced, because the freshmen picture could not be taken after the game, which lasted until dark. Pat Page insists that he will award only eleven sets of numerals as a measure of war-time economy.

## FORT SHERIDAN GRID MEN TO MEET JACKIES

Chicago, Nov. 28.—Uncle Sam's warriors of gridiron fame, who received commissions arrived in Chicago yesterday from Fort Sheridan to meet the team from the Great Lakes Training station on Stagg field tomorrow. The soldiers are quartered at the Del Prado hotel. No sooner were they assigned to rooms than they were ordered to don uniforms and were hustled away to Stagg field, where they were sent through a long signal practice under the tutelage of Turner and Wheaton.

The game, which is attracting country-wide interest, will be featured by as good football as is played by any college eleven. The teams are equal in weight, both averaging around 175 pounds. The soldiers have more star players on their team than the jackies, but the sailors should put up a great fight.

Led by a 400 piece band, 5,000 jackies will parade through the loop tomorrow morning, then will take special trains over the Illinois Central to Fort Sheridan. They will march to the battlefield, a distance of about half a mile.

There are 15,000 jackies in the camp, but only 5,000 have been given liberty. Some of them will have turkey dinners at different clubs and private homes, then go to the grid contest. Sailors coming into town will carry back to the station cigars, tobacco, and cigarettes, not to mention candy and other sweets.

## FRED FULTON WINS TECHNICAL KNOCKOUT

Chicago, Nov. 28.—Fred Fulton, Minnesota heavyweight, won a technical knockout over Gunboat Smith in the seventh round when the latter's seconds threw up the sponge at Minneapolis last night.

Jock Malone, St. Paul, had the better of Milburn Saylor, Indianapolis welterweight, in a fast 10 rounds at Minneapolis last night.

## CAMP TEAMS PUT ZIP INTO FOOTBALL

WHAT'S THIS!! ANOTHER 'WORLD'S GREATEST' TEAM!

WE READ ABOUT A NEW ONE EVERY DAY.

THEY TURNED OUT TO BE GREAT LITTLE PALS.

SO MANY OLD ONES HAVE BLOOMED AGAIN

The football season looked to be in for a dismal session when things started up this fall with many of the best players of last season in the army. But to the huge delight of all the season has been one of the most interesting in some years and the army can be thanked for it.

## KEYSTONERS WILL BATTLE GADGETS

Farcler Contest Will Be Staged at the Douglas Park Gridiron Tomorrow Morning.

The Arcade Gadgets will tussle the Twenty-six Hundred Keystoneers in their annual gridiron battle tomorrow morning at Douglas park. All football lovers will be assured of one of the most farcler games of the season. The game will begin at 10 o'clock sharp.

Coach Curley Blair of Geck, Iowa, university has gathered an eleven out of the Arcade rounders that he is confident will defeat the rival team. Many past and present gridiron stars will perform in the two lineups. Coach Curley stated that several members of his eleven are to play their first game, but their worth has been shown in practice. The Gadgets will present a strong lineup with such stars as Tappendorf, Schwewe and Collins. These men are known over the country for their football ability.

After a strenuous workout last evening the Gadgets coach selected the following men to represent the Arcade: "Duck" Johnson, former star of an eastern university, is John Collins, Yale star, is Gilbert Murry, who has performed on the gridiron for many years, is; Swede Larson, probably one of the greatest pivot men in the country, is; Tommy King, who hails from Cordova university, is; Tappendorf, one of Milan's mainstays, is; Schwewe, who has played on many college teams, is; Captain Freddy Reddy, the peer of all quarterbacks, is; Roy Mansfield, is; Harry Goldmann, is; and Marks, is. Coach Blair has several other star men to be used if necessary.

The Keystoneers, under the direction of Coach "Tiger" Lyons, have not been loading during the last week. Several strenuous signal and scrimmage drills have been held. Coach Lyons claims that he has one of the best elevens in the country and will give the opponents a hard game. He gave out the following lineup this morning: "Fireman" Gotthardt, "Battering Ram" Bush, "Fighting Harry" Olson, and Dan Stapleton, peer of all Greenbush quarterbacks, will grace the backfield for the Keystoneers tomorrow. Frank "Limpy" Hughes has been selected as center. Hughes will be remembered as star of Purdue several years ago. In the end positions the Keystoneers are well supplied with the services of "Cully" Prieststadt and Jack Shields. Both teams are claiming Shields, but he has signified his intention of playing with the best team, so he said. Just who will complete the Keystoneers' lineup has not been decided by Coach Lyons.

## BEAN TO WRESTLE SAMPSON DEC. 7

George Dans Arranges Good Card To Be Staged At Turner Hall—Four-Round Bout.

The wrestling fans of the tri-cities will be treated to a good exhibition on Dec. 7, at Turner hall, Moline, when Alec Bean is scheduled to meet Young Sampson of Streator, Ill. George Dans is promoting the card and a large crowd is expected to attend.

Dummy West of Minneapolis, and Jack Stahl of Geneseo, will also appear on the bill. The two exhibitions will be clever and will go two out of three falls. Tony Caponi and Kid Kuzma, both of Rock Island, will meet in a four-round glove exhibition.

Bobby Bylund, accompanied by George Dans, will leave Moline tomorrow for Galesburg where the Moline grappler will meet Riesberg on Friday night. The two mat stars have met on two other occasions and have attracted large crowds. Dans has arranged a wrestling bout between Bean and Charlie Peterson to be staged at Ottumwa on Dec. 4.

## BARRETT ON HAMMOND TEAM.

Hammond, Ind., Nov. 28.—Johnny Barrett formerly of the Evanston North Ends and manager and player with the Youngstown, Ohio, team this season, has been signed by Hammond for the game with the Cornell-Hamburgs Thanksgiving day and the Fort Wayne Friars Sunday.

## WILLIAM JACOBSEN JOINS THE COLORS

St. Louis, Nov. 28.—William (Baby Doll) Jacobsen, outfielder for the St. Louis Americans, has joined the colors at the navy yard, Norfolk, Va., and is now a full-fledged yeoman in the United States navy, according to a message from Geneseo, Ill.

It will be remembered that Jacobsen played with the Rock Island team in the Three-Eye league under the management of Jack Tighe. During the seasons of 1907 and 09, when the Islanders won the pennant he performed in the outfield. Tighe uncovered Jacobsen at Geneseo.

## BOWLING LEAGUE OPENS WITH RUSH

Good Season Predicted by Teams Last Night—Haage's Quintet Cops Three Games.

Merchants' League Standing.

The Merchants' Bowling league opened the season last night on the Island City alleys with two fast games. The Haage's quintet copped three straight from the Schwab & Bryson five. The interest in the bowling last night was intense and a great season is predicted by all teams.

The result of the opening night's bowling is as follows:

## ATHLETES GET COMMISSIONS.

Chicago, Nov. 28.—Noted athletes of 30 colleges, almost two hundred strong, swooped down on Chicago yesterday for the first time wearing the symbols of army rank, and they captured the city, just as some of them expect to be capturing Boche trenches before many more weeks pass.

Never was such a list of noted sporting figures gathered before. There are enough former all-star football players who got first lieutenantcies in the infantry and field artillery branches to make up three elevens. But the gridiron stars are only part of the list.

## DRINK IN SCOTLAND.

Glasgow.—There is a great rush for whisky in this town and despite the very high prices now ruling there have been long lines of women in the Clyde working districts waiting outside shops to buy as many bottles as possible for the Christmas festivities.

Scotch distillers express the belief that the sale of whisky will cease in a few weeks and this has increased the urgency of the demand. Publicans have decided to curtail their selling hours, and prices in the bars have risen to ten pence a glass in the poorer districts and to 14 pence in the higher class saloons.

These are the highest prices ever known in Scotland, but, in consequence of the big wages now being earned, there is no slackening in the demand.

## LONG SEASON SUITS WEEGHMAN OF CUBS

Chicago, Nov. 28.—President Comiskey of the White Sox left for the woods of northern Wisconsin last night, confident that the American league would play 154 games next year instead of 140, as advocated by President Johnson of the league. At a banquet given to John T. Conner Monday night the Old Roman roped in another recruit in President Weeghman of the Cubs. If Mr. Weeghman does not change his mind the chances are that the National league will have six votes for the 154 schedule, and this will clinch it, as the junior circuit will have to follow suit.

Comiskey and Weeghman were in a long conference during the dinner at the Edgewater Beach hotel, and after it was over the boss of the Cubs told Mr. Comiskey and others that the arguments of the owner of the Hoos had practically won him over to the long schedule. Mr. Weeghman was originally in favor of 140 games, although he has maintained that he was open to argument for the longer bill.

As a clincher President Comiskey told the rival owner that he would open a restaurant and close it up 14 days on account of the war. The north side magnate saw the point and agreed that perhaps it would be just as well to keep the ball team working while the snow was off the ground.

During the afternoon Comiskey and Johnson were together downtown. As he left to go to the train Comiskey turned to Johnson and with mock seriousness said: "Now, Ban, don't close up my ball park while I am gone, as I want to use it next week."

Comiskey expects to be gone until some time next week. He will then return to Chicago to continue the campaign for the long schedule and he expects to win.

President Johnson took occasion during the day to deny that he had renegeated the interview where he suggested that the government exempt 18 men from each ball club. Ed Barrow, president of the International League, on his return east from Chicago was quoted in New York to the effect that the president of the league told Ban in wrong and that he had not said what had been credited to him. Johnson asserted that Barry had no grounds for giving out any such story, as he stood by what he said. The only fault he had to find with the report of the interview, he said, was that he was quoted as having "requested" the government to exempt the men. What he meant was only to "suggest."

## MARINE STARS TO PLAY WITH LOCAL SQUAD ON SUNDAY

Ursella and Chicken Will Grace Douglas Park in Green and White Uniforms.

SIES SECURED BY DAVENPORT

Ursella Probably Will Be Used at Quarterback—Flanigan Receives Word Tonight.

BY GOOK SMITH.

Ursella and Chicken, Minneapolis Marine stars, will play with the Rock Island Independents in the crucial battle against the Davenport Athletics on Sunday.

This announcement was made this morning by Manager Flanigan when he received a wire from the Minneapolis stars. With the addition of these two men the Islanders will be considerably strengthened and this deal will turn the betting.

The local management has been working for the last two weeks to secure the Minneapolis stars, but it was not definitely known whether they would perform with the locals until last night. As the Marines will be idle Sunday, the stars from that organization have informed Flanigan of their intention to play with the Independents. The Marines' mainstays will arrive in this city tomorrow night so they can perform in several practices with the locals before the game Sunday. They will practice Friday Saturday and Sunday morning.

It has not been definitely decided as yet whether Ursella will play quarterback or at half. If he becomes familiar with the signals in the three practices he will no doubt play at the pivot position. Chicken will be used at half. With Ursella at quarter, Brindley, Mansfield and Chicken in the backfield, Rock Island can boast of one of the best backfields in independent football today.

## Davenport Strengthening.

From the Davenport headquarters comes the report this morning that Sies will perform with the Athletics Sunday against the Independents. Sies probably is one of the best ends that ever graced an independent football team in this section of the country. Several other stars will also perform with the Davenport team.

## PEANUTS DUNDEE WINS FROM VOGLE

Mort Henderson Unable to Perform Against Local Boy—Enoch Cool Go a Draw.

"Peanuts" Dundee of Rock Island won over Benny Vogle of Milwaukee last evening before the Streator Athletic club in a 10-round bout. Vogle was substituted for Mort Henderson, who recently underwent an operation. Dundee, it is said, won seven out of the 10 rounds and had his opponent at his mercy the entire fight. In the seventh round Dundee had his man on the mat with a kidney punch.

The main go of the evening, between Freddie Enoch of Aurora and Red Cool of St. Louis, was a tame affair. It was declared a draw. Both boys failed to mix.

Peanuts Schieberl, manager of Dundee, closed a bout with Emil Thierly, manager of Johnny Ritchie, for a go on Dec.
